## JAMES IS HERO OF WASHINGTON.

Olie, of Kentucky. Takes a Crack at Washington Street Car System and Strikes Popular Chord

Washington D. C., Feb. 12.—Olie James was the lion of Washington today. District of Columbia people, tired of the miserable service on some of the car lines, flocked to him to commend him for his fight yesterday afternoon in behalf of 4 cent cash fares or eight tickets for a quarter.

Although he was temporarily defeated, it is believed he will at last get his proposition thru the House session.

The present fare is 5 cents cash and six tickets for a quarter.

In an eloquent speech, James declared that the street car companies of Washington, which cost originally not over \$2,000,000, have at least \$11,000,000 of water in them.

He added: "I do not believe that any sane man will dispute the proposition that they can carry passengers for 3 cents in the District of Columbia and make money, at that. I believe they have the best street car service in the world, but let Washington start the fight. Let this congress start the fight in favor of a lower transportation rate. Start it right here in the District of Columbia." (Loud applause)

## INVIGORATE THE DIGESTION

To invigorate the digestion and stimulate the torpid liver and bowels there's nothing so good as that old family remedy, Brondreth's Pills, which has been in use for over a century. This cleans the blood and imparts new vigor to the body. One or two in one night for a week will usually be all that is required. For Constipation or Dyspepsia, one or two taken every night will in a short time afford great relief.

Brondreth's Pills are the same fine laxative tonic pill your grandparents used and being purely vegetable are adapted to every system. Sold in every drug and medicine store, either plain or sugar coated.

It's a pleasure to tell our readers about a Cough Cure like Dr. Shoop's. For years Dr. Shoop has fought against Opium, Chloroform, or other unsafe ingredients commonly found in Cough remedies. Dr. Shoop it seems, has welcomed the Pure Food and Drug Law recently enacted, for he has worked along similar lines for many years. For nearly 20 years Dr. Shoop's Cough Cure containers have had a warning printed on them against Opium and other narcotic poisons. He has thus made it possible for mothers to protect their children by simply insisting on having Dr. Shoop's Cough Cure. Sold by Haynes & Taylor.

## Awakening then.

The honeymoon was over and the emporium was bare.

"Don't worry, darling," said the romantic husband, as he opened the piano; "remember, music is the food of love."

The practical little wife shook her head. "But if you really think music is the food of love," she responded, "perhaps you can step around and get the butcher to give you a beefsteak for a mere song."

Then the long-haired genius wove up.—Chicago Daily News.

## Lights Deceive Him.

Young Captain Seabury of the White Star liner Cattle was talking about the colored signal lights of ships.

"In the past," he said, "all lights were white. I once knew a young Scottish sailor to whom the new colored lights were unknown.

"As he stood at the wheel one night a big steamer bore in sight, and the boy saw the great red and green lights for the first time.

"He rammed down the helm with a loud yell. 'Preserve us!' he shouted. 'We're goin' right into the 'pothecary shop at Peebles'!"

## "WHISKY" COLD CURES.

**Danger of Using Alcoholic Mixtures or Coal Tar Tablets.**

Laying aside all moral objections against filling up the system with whisky or drugs because one has a cough or cold, the dangerous physical effects should be sufficient to keep one from using these strong medicines.

## The Limit of Life.

The most eminent medical scientists are unanimous in the conclusion that the generally accepted limitation of human life is many years below the attainment possible with the advanced knowledge of which the race is now possessed. The critical period, that determines its duration, seems to be between 50 and 60; the proper care of the body during this decade cannot be too strongly urged, carelessness then being fatal to longevity. Nature's best helper after 50 is Electric Bitters, the scientific tonic medicine that revitalizes every organ of the body. Guaranteed by J. H. Orme Druggist 50c.

Mr. Borely—You don't mind my calling you Alice, do you?
